Sir:

**RESPONSE**

In response to the Official Action mailed December 8, 2006, and supplemental to the Amendment filed July 15, 2005 which stated the incorrect U.S. Patent No. 6,548,727, attached is a corrected Terminal Disclaimer executed by the undersigned, indicating the correct U.S. Patent No. 6,458,727. The corrected Terminal Disclaimer is submitted herewith to overcome the rejection of claims 27-33 on obviousness-type double patenting grounds.

The Examiner has indicated that the application is in allowable condition upon receipt of the corrected Terminal Disclaimer.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
